EXPERIENCE / INTERNSHIP

Metro Shoes, Noida

Footwear Designer Jul 2017 – Jul 2019

- Designed TPU and TPR out soles on Adobe Illustrator.
- Contributed to seasonal trends, themes, colours and styling. Worked with technical design in preparing and ensuring accuracy from initial concepts to technical design cards.
- Made prototype corrections, confirmed sales samples and informed the sales team of any modification.
- Worked with design manager to help in putting design concepts within the time frame as per the seasonal calendar. Created technical packages for designed footwear.
- Created trend presentations for merchandising and sales department.

Les Perros Shoes, Noida

Assistant Footwear Designer Apr 2016 – Nov 2016

- Successfully translated subject matter into concrete design for samples and sales.
- Assisted in detailing collection and then inputting information into the Flex PLM computer system, for the creation of spec documents.
- Became familiar with trim and footwear market in search of new developments and interesting details that helped in distinguishing the product from the competition.
- Created illustrations, logos and layouts using Photoshop and Illustrator.
