## PROFESSIONAL SUMMARY

NCIDQ certified interior designer with 10+ years of experience in office and residential interior design. Highly skilled at using Revit and AutoCAD for space planning and conceptual designing. Featured 20+ interior design projects in a few top interior design magazines including Architectural Digest. Completed 3 high-end large-scale luxury projects with 100% positive feedback.

## WORK EXPERIENCE

### Interior Designer

Aug 2018 - Present

**Luxury Livingston** - New York, NY

- Designed and implemented 50+ high end residential models and private homes.
- Produced both residential and commercial CAD documents 100% according to the industry standards.
- Refurbished 10+ startup office premises and selected the appropriate furniture
- Received positive feedback for 98.5% of the projects and was able to work with the same clients on different projects.
- Trained and mentored 10+ junior interior designers during my employment spell at Luxury Livingston.

### Interior Designer

Jan 2015 - Jul 2018

**The LauckGroup Inc.** - New York, NY

- Drew more than 50 plans of buildings using AutoCAD and InDesign software and hand drawing methods.
- Interviewed more than 20 clients to gather relevant requirements and created on the spot drawings.
- Rechecked building code, electrical plans, and fire evacuation map 3+ times to ensure the safety of the building.
- Finished the project on time and increased client engagement and satisfaction by 30% within three months.

### Interior Designer

Jan 2010 - Dec 2014

**Eastlake Studio** - Ocean City, MD

- Managed 100+ floor plans, diagrams, sketches of designs, and finishes related to each project.
- Designed different types of 5+ corridors, 10+ lighting arrangements, 20+ furniture, and equipment related to residential design.
- Introduced titanium floors for the clients and saved their budget by 20% and increased company income by 10%.
- Won the best lighting design award in 2012 for innovating different shapes and colors for different purposes.

## EDUCATION
