Profile

Dedicated Learning Consultant with 2 years of experience in designing and implementing customized learning solutions for diverse industries. Adept at identifying skill gaps and leveraging technology to enhance learning experiences. Demonstrated success in collaborating with stakeholders to drive employee engagement and improve performance. Committed to fostering continuous learning and professional development.

Employment History

Senior Learning Consultant at Fox Valley Technical College, WI

Mar 2023 - Present

- Developed and implemented an innovative learning program that increased student retention rates by 25% within the first year, through the use of advanced learning technologies and customized curriculums tailored to individual student needs.
- Secured \$500,000 in grant funding to support the expansion of online learning initiatives at Fox Valley Technical College, resulting in a 50% increase in available online courses and a 20% increase in online course enrollment over a two-year period.
- Led a team of instructional designers in the creation of a comprehensive faculty development program, which resulted in a 15% improvement in overall teaching effectiveness as measured by student evaluations and increased faculty satisfaction by 10%.

Learning Consultant at University of Wisconsin-Madison, WI

Jul 2021 - Jan 2023

- Successfully developed and implemented a comprehensive learning strategy for the university, resulting in a 25% increase in student retention and a 15% improvement in overall academic performance within two years.
- Spearheaded the integration of technology into the learning process by introducing innovative tools such as virtual classrooms, online discussion boards, and digital assessments, leading to a 30% increase in student engagement and collaboration.
- Led a team of learning professionals to design and deliver customized training programs for over 5,000 faculty members, which contributed to a 40% increase in teaching effectiveness and a significant improvement in student satisfaction ratings.
