

# JESSICA CLAIRE

Montgomery Street, San Francisco, CA 94105  
(555) 432-1000 - resumesample@example.com

## PROFESSIONAL SUMMARY

---

lolol idk

## SKILLS

---

- Autodesk AutoCAD software, beginner
- Microsoft Office, expert
- Microsoft Excel - VBA, intermediate
- SolidWorks, intermediate
- Willing to learn more software and improve current skills
- French language, beginner
- Organizational skills

## WORK HISTORY

---

04/2015 to 05/2015 **Combustion Engineer**

**Ardagh Group** – Winchester, IN

- Performed data analysis and provided recommendations to determine a relationship between stoichiometric air required and blower size for an air-assisted flare
- Conducted testing on a variable-area flare tip and compared data to an annular model
- Created and performed test procedure for a VIV fan and used data to develop a relationship between air flow, pressure, and maximum turndown rate
- Conducted ammonia flammability research which will lead to the development of safely flaring ammonia-inert mixtures

2015 to 04/2015 **Fluid Mechanics Teaching Assistant**

**Oklahoma State University - Biosystems And Agricultural Engineering** – City, STATE

- Adapted teaching methods and materials to meet students' varying needs and interests
- Led discussion periods which consisted of working through homework problems and explaining material taught in lecture
- Held office hours to help students with homework and provide insight on achieving success in the class
- Graded homework and tests
- Created solutions for various homework problems

## EDUCATION

---

May 2016

**Bachelor of Science: Mechanical Engineering**

**Oklahoma State University** - Stillwater, OK

GPA: GPA: 4.0 Academic Honors

- Current GPA: 4.0
- Member of Honors College
- Oklahoma State Regents for Higher Education Institutional Nominee
- Recipient of Engineering Dean Travel Scholarship
- Recipient of Ralph Rice Memorial Scholarship
