Experience

Painter, 06/2015 to 07/2016

Aggreko – Dallas, TX

- Painted walls and other surfaces using traditional and sprayer methods and worked efficiently to complete jobs within required timeframes.
- Completed and filed daily work slips to document progress and provide estimated completion time.
- Monitored paint supplies, placing orders whenever needed and properly and safely recycled old paint.
- Performed repairs to defects in walls by patching holes and scrapes prior to project start.
- Covered floors before prepping, priming and painting all surfaces to protect them from chemicals and paint.
- Readied surfaces and surrounding areas for painting using sandpaper, tape and other materials.
- Determined appropriate color for new and replacement applications during consultation with customers.
- Recommended options to customers for blending, harmonizing and contrasting colors to add depth to smaller spaces.
- Inspected work sites to measure dimensions, lay out work and estimate materials for each job.
- Prepared surfaces for remodeling in residential and commercial properties.
- Maintained thorough inventory of paint equipment and supplies by checking product levels daily.
- Smoothed and finished surfaces on walls, trim and cabinetry.
- Refinished household furniture such as desks, chairs, tables and bookcases.
- Cleaned and smoothed all surfaces prior to painting.
- Prepared sheetrock, metal and wood surfaces for painting.
- Used power and hand tools safely and effectively.
- Operated airless spray equipment and motorized lifts.
- Repainted entire apartments after residents moved out.
- Mixed paints and solutions and monitored temperatures.
- Chose correct brushes and materials for jobs and purchased from vendors.

Agricultural Worker, 12/2016 to 04/2017

Aggreko – Los Angeles, CA

- Assisted with land preparation and analysis by taking samples of soil and crops.
- Checked fields for rocks or other obstacles to prepare land for tilling and physical preparation for spring planting.
- Cultivated and supported wide variety of crops such as fruit trees and vegetable plants by implementing irrigation systems and using **[Technique]**.
- Fulfilled orders quickly to accomplish challenging daily objectives.
- Selected items from bins, scanned tags with tracker and loaded onto cart.
- Weighed and measured products and materials to check compliance with specifications and regulations.
- Monitored aisles and floor areas for neatness and organization to enable forklifts to effectively operate throughout warehouse.
- Labeled boxes and placed in outbound collection areas.
- Picked products from designated locations using various tools and transferred to appropriate areas for further processing.
- Planted seeds, bulbs, ground covers and trees.
- Installed retaining walls, fences and planters.
- Scheduled harvests based on weather conditions and market demands.

Painter, 01/2017 to 01/2020

Rogelio And Sons – City, STATE

- Prepared surfaces for painting by sanding, brushing and scraping existing walls, floors and trim.
- Achieved unique looks such as marble and tile using cloth, brush and sponge tools.
- Applied primer and new paint with brushes, rollers and spray systems.
- Prepared parts that required coating and diligently followed practices for applying powder coating.
- Used putty plaster to repair damages to surfaces.
- Removed old layers of paint through chemical and physical means.
- Verified that parts had the correct customer identification attached.
- Determined appropriate paint flow and viscosity by performing visual inspections.
- Met expected project timeframes by supervising production workflow, parts quality and delivery.
- Promoted safe working practices by observing company policies, which prevented hazards in the workplace.
- Covered floors before prepping, priming and painting all surfaces to protect them from chemicals and paint.
- Performed repairs to defects in walls by patching holes and scrapes prior to project start.
- Monitored paint supplies, placing orders whenever needed and properly and safely recycled old paint.
- Completed and filed daily work slips to document progress and provide estimated completion time.
- Readied surfaces and surrounding areas for painting using sandpaper, tape and other materials.
- Inspected work sites to measure dimensions, lay out work and estimate materials for each job.
- Recommended options to customers for blending, harmonizing and contrasting colors to add depth to smaller spaces.
- Determined appropriate color for new and replacement applications during consultation with customers.
- Painted walls and other surfaces using traditional and sprayer methods and worked efficiently to complete jobs within required timeframes.
- Coordinated and completed ongoing routine painting of exterior and interior of properties.
