Enthusiastic and self-motivated web designer with 3+ years of experience. Eager to join WebHouse to bring top-class frontend development, UX, and visual design skills. In previous roles redesigned a SaaS website that reduced CAC by 50%, and implemented an SEO-optimized design that boosted traffic by 300%.

Experience

2015 - 2018

Web Designer

NanTech

- Cooperated closely with the marketing team to develop concepts and mockups on 10+ projects.
 - Participated in weekly client meetings to discuss solutions and update project status.
 - Worked independently and as part of 3 cross-functional teams on conceptualizing website design and optimization.
 - Collaborated with internal and external design/dev resources to implement scalable front-end templates and design modules.
- Key achievements:**
- Redesigned a SaaS website with a view to maximizing ARR and reducing CAC. Achieved 20% rise and 50% reduction YoY respectively.
 - Organized 2 workshops for 10+ interns on wireframing and mockup creation using Adobe Xd and InDesign.

2015 - 2016

Associate Web Designer

WorldPress Group

- Assisted the creative team in developing visually appealing websites.
 - Closely cooperated with the web design team to build responsive WordPress themes.
 - Developed landing page functionalities and features.
 - Addressed any design issues that arose.
 - Maintained and updated website functionalities in collaboration with the CS and web development teams.
- Key achievement:**
- Designed an SEO-optimized website for a SaaS company that increased traffic by up to 300% in a single quarter.
