CAREER OBJECTIVE

I am an enthusiastic teacher, and I strive to empower my students through challenging, engaging lessons. I am seeking a part-time position that enables me to contribute my skills and abilities in the field of education in math and/or science. I would like to make a positive impact on children by instilling in them curiosity and self-respect while equipping them with the tools they need to be effective learners and leaders.

SKILLS

- Strong communication skills
- Student engagement
- Enthusiastic, facilitates a joy for learning
- Classroom management

WORK HISTORY

- 08/2018 to Current

Grammar Science and STEM Teacher

Arma Dei Academy – City, STATE

 - Teach Earth Science, Introduction to Chemistry, and STEM to 1st - 4th grade.
 - Restructured strategies of instruction to accommodate distance learning, including video lessons, recordings, hands-on activities, demonstrations, and tutoring.
 - Guide students through the engineering design process to plan, design, and create cross-curricular STEM projects including catapults, Roman aqueducts, and shadufs.
 - Developed and implemented a STEM camp for 2nd - 6th graders, incorporating the engineering design process to design and build various projects.
 - Adapt teaching methods and instructional materials to meet students' varying needs and interests, including teaching advanced math and work alongside students with personalized learning plans.
 - Plan and conduct activities for a balanced program of instruction, demonstration, hands-on learning, and independent work time that provides students with opportunities to observe, question, and investigate.

08/2010 to 02/2016

3rd - 5th Grade Teacher (Math / Science Focus)

Broomwood Hall Prep – City, STATE

- Responsible for teaching core subjects with a focus in math and science to upper years.
- Tutored students for 11+ exam preparations to attend London day schools.
- Developed skills in classroom management, differentiation, working with high ability pupils and pupils with varying special needs.
- Ran after-school clubs, including an Art club and Photography club.
- Led a team of teachers to run one of four school houses.
- Directed yearly class performance for parents and students.

06/2009 to 09/2014

Children's Pastor - Co-Leader Volunteer

Hillsong Church London – City, STATE

- Led and planned weekly teaching for Children's Church ages 1-11.
- Assisted in overseeing team of volunteers who together planned and put on Children's Conference of 500+ preschool and elementary aged children, as well as overnight summer camps.
- Oversaw teaching team in Child Protection Training.
- Helped to oversee 50+ volunteers to serve in Children's Church on a weekly basis.
