The Wrench King, 2019

CAREER OBJECTIVE

Vehicle mechanic with 9 years of experience in automotive maintenance, repair, and servicing. Extensive experience working with gasoline and diesel vehicles, examining automotive electronic equipment, and testing and tuning exhaust systems. Possess ASE A Series certification.

PROFESSIONAL EXPERIENCE

AUTOMOTIVE TECHNICIAN

The Wrench King, Spokane, WA / August 2017–present

- Test drive vehicles (so far, 1470) to ensure work quality
- Use equipment such as infrared engine analyzers and compression gauges to check engine wear
- Check emission levels of an average of four vehicles per week as part of the Washington Vehicle Emission Check Program
- Analyze vehicle performance by using computerized diagnostic tools and implement tune-ups accordingly
- Use invoicing software to produce customer invoices

AUTOMOTIVE MECHANIC

Big Tony's In 'n' Out Auto Repair, Spokane, WA / July 2015–August 2017

- Repaired and serviced air conditioning, engine cooling, electrical, and heating systems on over 1000+ vehicles
- Tore down, repaired, and rebuilt defective parts including braking, coolant, and steering systems
- Installed and replaced accessories, including headlights, radios, side and rear-view mirrors, and windshield wipers
- Greeted an average of 47 visitors weekly and discussed and agreed on labor, repair, and tune-up programs

TRAINEE TECH

Gary's Autos, Spokane, WA / June 2013–June 2015

- Performed routine, scheduled maintenance services, such as tune-ups, lubrications, and oil changes
- Ensured cleanliness of the work area
- Inspected vehicles by using checklists, including belts, steering systems, hoses, brakes, fuels systems, exhaust, and wheels
- Conferred with customers and upsold parts and labor by an average of 24% through product and service recommendations
- Installed, tested, and adjusted sound systems
