📍 Hyattcester, Tokelau

SUMMARY

Experienced HR Operations Manager with a strong track record of strategically leading and performing day-to-day HR operations. Highly skilled in employee relations, recruitment, performance management, and training. Demonstrated leadership in driving HR initiatives and resolving complex issues. Committed to fostering a positive work environment and ensuring compliance with labor laws. Completed a Bachelor of Business Administration from the University of California and holds a SHRM-CP certification. Passionate about improving organizational effectiveness and supporting employee success. Achievements include developing successful diversity and inclusion programs, reducing employee turnover, and implementing HR software systems to streamline processes. Seeking an opportunity to contribute to Pendulum's mission of improving physical and mental health through innovative products.

EXPERIENCE

HR Operations Manager

Pendulum

📅 2022 - Ongoing 📍 San Francisco, CA

Led and performed the day-to-day HR operations of a fast-growing organization, managing a team of HR professionals.

- Implemented HR policies and procedures, resulting in increased compliance with labor laws.
- Managed employee onboarding and offboarding processes, ensuring a seamless transition for new hires and departures.
- Developed and conducted HR training programs, resulting in improved employee knowledge and performance.
- Collaborated with cross-functional teams to develop and implement HR software system, resulting in streamlined processes and increased data accuracy.

MY LIFE PHILOSOPHY

HR is not just about policies and procedures; it's about truly understanding and supporting the people behind the organization's success.

STRENGTHS

Leadership

Led a team of 10 HR professionals, resulting in a 20% increase in employee satisfaction.

Problem Solving

Successfully resolved complex employee relations issues, resulting in a 30% reduction in employee grievances.

Strategic Thinking

Developed and implemented HR strategies aligned with company objectives, resulting in a 15% increase in employee productivity.
