WORK HISTORY

Private Banking and Investment Group Intern, 04/2016 - 07/2016

Merrill Lynch Private Banking And Investment Group – City, STATE

- Complied relevant research to help the team make investment decisions
- Used Bloomberg Terminal to pull relative strength index and fund performance from the teams long term growth portfolio
- Was required to choose at least one ETF per week for the team to add to a model portfolio
- Experienced first-hand stock market trades, client relations and was the first line of service support for incoming team phone calls.

Golf Trainer, 04/2015 - 07/2015

Self

- Taught a 15 year old who never played golf the fundamental of golf and after two months, the student knew the basics of the game and could play on his own
- Taught students how to train their bodies for a maximum swing and play at their optimum level
- Required persistence, coaching, encouragement, and patience
- Needed to gain the confidence of my students
