

MILAN CHUDOBA

Freelance Graphic Designer

I've been a graphic designer for 6 years. I was 20 when I fall in love with graphic design and this relationship still continues. My first design was a website for friend of mine, I was very satisfied with it and thought how brilliant and modern it was. When I look at it now, I can't believe that my hands made something like this. I've completely changed my style, now I try to make modern, creative, simple and timeless designs.
