CONSTRUCTION PROJECT MANAGER • ELECTRICAL ENGINEER

Skilled engineering professional offering 10+ years of international experience as both a project manager and industrial/commercial/residential construction superintendent for hundred million dollar projects. Experience includes safety; quality control; supervising team members and subcontractors; writing project plans, reports, and documentation; scheduling; reviewing bid proposals and awarding contracts; preparing budgets; and controlling expenses. Proven record of success completing projects on time and under budget.

Additional expertise in designing, programming, testing, provisioning, deploying and supporting electronic equipment and associated systems. Highly skilled in network planning and analysis with strengths in project management. Strong technical and methodical aptitude with an innate ability to analyze, coordinate and synthesize data. Aggressive in identifying and resolving inefficient operational processes. Strong team member; able to motivate coworkers to achieve optimal production rates while maintaining high safety methods and practices. . Excel in unpredictable and hectic environments.

AREAS OF EXPERTISE

- Construction Project Management
- Instrumentation, Electrical, Building & Telecommunication
- Heating, Ventilation & Air Conditioning Systems (HVAC)
- Simultaneous Operations (SIMOPS)
- Hazard Identification & Waste Management
- Materials Arrangement & Management
- Hydrogen Sulfide Training (H2S)
- Confined Space & Working at Heights
- AUMA Motor Actuator Valve, ABB ATE X Directives & Principles
- Risk Management
- Project Planning & Execution
- Leadership & Communication
- Cost Control & Management
- New Process Development & Implementation
- Organization & Time Management Skills
- Prioritize & Execute Tasks in High-Pressure Environments
- Work Effectively in Team-Oriented, Collaborative Environments
- Incident & Injury Free Training

EDUCATION

- **Executive Training Course for Project Managers, Earned 35 PDUs**
- **Project Management Professional Review Course (PMP)**
University of the Pacific, Dubai ...May-Jun. 2007
- **Master of Science, Electrical Engineering**
University of Balamand, Lebanon ...Sep. 1997-Jul. 1999
Thesis: X-Y-Z Robot Arm Manipulator
- **Bachelor of Science, Electrical Engineering**
University of Balamand, Lebanon ... Sep. 1994-Jul. 1998
Thesis: Early Curve Road Signaling System

PROFESSIONAL EXPERIENCE • MAJOR PROJECT HISTORY

Consolidated Contractors International Company...Nov. 2001-Apr. 2010

1. **Instrumentation Project Engineer, Qatar Gas LNG Onshore Project, Qatar... Oct. 2007-Apr. 2010**

Managed instrumentation engineering for a US\$630M staged construction project of 2 LNG production trains (6&7), which included general civil, steel erection, equipment, piping, electrical,
