## EMPLOYMENT HISTORY

### Web Designer at Expedia Group, New York

January 2017 – May 2018

Expedia Group is a global travel company with websites which are primarily travel fare aggregators. As the Web Designer, my core activities included:

- Planning site designs, functionality and navigation, along with audience funnels and data capture points.
- Building wireframes & prototypes which were then turned into functional and responsive digital products.
- Reviewing UX with multiple teams and making necessary edits to accommodate technical or business concerns. Raised UX scores by 38%.
- Handling all composition, color, illustration, typography, and branding for projects.

### Web Designer at FarePortal, New York

February 2016 – December 2016

FarePortal is a travel technology company where the flagship product CheapOair receives over 100 million visitors annually. As the Web Designer, my core activities included:

- Designing, building, and maintaining marketing email creative using data-driven responsive templates.
- Providing expertise on industry standards, best practices, and proper coding techniques to achieve correct rendering in all email environments.
- Performing quality assurance and troubleshooting code rendering across multiple desktop and mobile devices. Improved customer retention by 17%.
- Creating landing pages using WordPress CMS.

### Web Designer at The Points Guy, New York

March 2015 – November 2015

The Points Guy is a site devoted to helping over 5 million monthly readers stay up to date on travel news. As the Web Designer, my core activities included:

- Creating homepage assets for both desktop & mobile experiences.
- Developing site content and graphics in partnership with writers and creative director. Spearheaded 4 projects simultaneously.
- Designing images, audio enhancements, icons, and banners.
- Presenting concepts and ideas consistent with company branding guidelines to the creative team.
