## PROFESSIONAL SUMMARY

---

Graphic designer and illustrator currently based in the Washington DC area. I have a BA in Graphic Design/Studio Art with a minor in Art History from the University of Maryland-College Park.

As a designer, I try my best to create work that delights the user--whether it's through an interaction, illustration, typography, crafting or some other outlet that I am passionate about. I am interested in working with technology to bring a sense of encouragement and ease to all users--ultimately making peoples lives a little easier, better and brighter.
