## EXPERIENCE

### ABS Architect, San Francisco, California

Lead Architect

Oct 2010- Present

Successfully manage and coordinate projects from concept through completion. Work closely with clients to create vision, conceive designs, and consistently meet deadlines and requirements. Effectively build, motivate, and direct design and production teams. Coordinate freelance designers, consultants and vendors to meet all project requirements. Create and conduct highly persuasive sales and marketing presentations.

### RMC Architect, San Francisco, California

Architect

Sep 2007-Sep2010

Created trends for designs, innovation and use of sustainable materials in building design. Collaborated with construction team to build concept for key clients under direction of Construction Department. Consistently recognized for fresh and innovative ideas and applications. In addition, developed new system that increased overall quality.
