

personal summary

A seasoned Creative Director, Art Director, and Graphic Designer with over 15 years experience in many facets of design, and the overall creative process. My strengths are, but not limited to, brand and identity, editorial design, and event/product marketing collateral. I possess a combination of conceptual strength and technical proficiency. I have established myself as a self-starter and team leader that actively helps and refines all processes necessary to achieve and maintain goals.

professional experience

1105 Media (formerly 101communications)

Chatsworth, CA

2007 – Present, Creative Director

2005 – 2007, Art Director

- ▶ Lead an art team on all creative projects related to education technology products. This includes editorial design, and related marketing campaigns, collateral, and custom media.
- ▶ Develop concepts and style guides for company produced conferences and online events (webinars, summits, virtual conferences). Direct art team in producing associated promotional and collateral materials, event web sites, ebrochures, and venue signage.
- ▶ Select and commission all illustrators, photographers, and stock art for in-house produced publications.
- ▶ Manage schedule and art budget on all internally produced projects for the business unit.
- ▶ Collaborate with web design and development team to maintain brand consistency on all publication web sites and marketing campaigns.
- ▶ Established strong relationships with publishers, editors, sales reps, and production coordinators, which allowed me to gain their trust when issues need to be resolved.

101communications

Chatsworth, CA
