FINANCE & INSURANCE CONSULTANT

SUMMARY

EXPERIENCE

Finance and Insurance Consultant Harley-Davidson Financial Services

Sep 2010 - Present

- Current FIC for the Southern California region (5 years). Previous FIC of the Rocky Mountain region (6.5 years). Longest tenured FIC with in-dealership Harley-Davidson experience.
- Presently working with and maintaining relationships with some of the nation's largest high-value dealer groups including: Veracka, Rodin Younessi, RumbleOn/RideNow, John Morotti, and The Wise Group (Rami Yanni).
- In 2021, the SoCal Region increased year-over-year new funded dollars, 29.91%, and used funded numbers increased by 10.17% - both of which were the largest increases in the U.S. West Region. This was achieved by loyalty and gaining buy-in and engaging dealers with the H-D Certified program.
- Following the values of Fair, Honest, Positive, Creative (FHPC) in all aspects of work/life. Holding myself to a high set of standards and aligning with the Hardwire initiative: fair minded, being transparent, supporting H-D/HDFS leadership, optimistic about the future, challenging the norms. Being present, punctual and actively engaged are values that I embrace on and off the job.
- Partnered with fellow FICs to accomplish training initiatives both on-site and virtual. Implemented weekly "Open Forum Fridays", Compliance, and Fraud webinars for the SoCal Region. Conducting business virtually has also led to the creation of "Save a Deal" webinars.
