

Summary

Corporate Trainer / English Instructor with approximately 5 years experience training students in a variety of different international settings as evidenced in my experience section. Professional, experienced, flexible with proven group management ability and a large set of transferable skills . Adept at facilitating language learning and group management. Looking to transition into a long-term career in a stable company as most of my experience has been 6-12 month long contracts, which were all completed successfully. Experience working with a variety of people as well as performing administrative duties.

Highlights

- Time Management
- Communication
- Consistency
- Able to adapt easily
- Open-minded
- Expert at task allocation
