# Agriculture Worker CV Sample

/Ray Smith/20 Anyfarm Road, Anytown/5432 45987/raysmith@mymail.com

## Professional Summary

My agricultural career began before I left school working on local dairy and fruit farms part-time during harvesting. From helping with the haymaking and fruit picking I graduated to weekend work, cleaning out animal pens and feeding the stock. I am hard working, responsible, and punctual, have obtained a number of NVQs, and wish to continue my agricultural training at college while working as an active and valued team member on a large farm.

## Core Qualifications

National Certificate in Agriculture. NVQ's in animal husbandry, machinery operation, tractor driving, and unsupervised working to Grade 3

## Professional Qualifications

• NVQ Level 3 • Regularly work unsupervised • Fully trained in all aspects of milking, animal care, and milking machinery operation • Tractor driving with trailer and ploughing • Clearing, feeding and all areas of animal welfare • Team leader during group activities, harvesting, farm maintenance etc.

## Academic Qualifications

Anytown Secondary Modern GCSE Maths(C) English (B) Woodwork (B) IT (C)

## Key Skills

• Fully competent on the day to day operation of mixed dairy and arable farming. Capable of working unsupervised on tasks specified by the farm owner/manager.

## Work Experience

Buttercup Farm (mixed dairy and arable) July 2013 – Present • Working directly under the farm supervisor • Responsible for day to day farming operations with a team of three • Responsible for milking and maintaining a 50 head dairy herd • College release to increase vocational qualifications. Daisy Chain Farm (mixed dairy and arable) September 2011 – June 2013 • Working as part of a three man team as required • Carrying out various daily farming tasks unsupervised • College release for NVQ training Round Apple Fruit Farm (holiday work) Fruit Picking August 2011 Daisy Chain Farm (part-time employment) July 2009 – July 2011 • General weekend farm work while still at school • Helping with harvesting during school holidays
