Career Summary

Jan 2023 - Present

City of New York, Brooklyn, NY
Finance Intern

Outline

Assist the supervisor and other divisional employees with finance activities/special projects, for a city with a diverse energetic cultural arts scene, towering skyscrapers, and celebrated restaurants, world-renowned theater groups and the brains behind the USA's economic might.

Key Responsibilities

- Contribute towards the development and maintenance of financial planning templates.
- Conduct comprehensive research and gather information to identify trends and patterns.
- Prepare effective models and projections that aid stakeholder decision-making.
- Review monthly, quarterly, and annual P&L statements and reports.
- Carry out variance analysis and interpretation to compare actual results against budgeted amounts.
- Identify potential areas for improvement to drive operational continuity.
- Process invoices and purchase orders, execute the reconciliation of vendor accounts, and resolve any discrepancies.
- Arrange relevant documentation for internal and external audit purposes.
