

Nicole Nguyen

Passionate Special Educator with Diverse Teaching Experience

nicoleng@gmail.com | (+352)-458-3892

Special education teacher with over five years of experience in providing children with special care and education. Supported the emotional and social development of disabled children with encouragement, understanding, and positive feedbacks. Consistently committed to redirecting unproductive behaviors with positivity, patience, and creativity.

Work Experience

Aug 2017 -
Dec 2019

Special Education Instructor | ABC Educational Services

- Worked with 10-15 students annually at the age of 6 to 12.
- Developed lesson plans and activities based on students’ IEPs that facilitate academic, behavioral, occupational, speech, and physical therapy goals.
- Orchestrated student, class, and Aide schedules in conjunction with each child’s therapy needs.
- Conducted training for 15+ colleagues and 30+ parents on working effectively with special needs children, achieving a 100% participation rate.

Aug 2013 -
Jun 2016

Resource Special Education Teacher | BCD School District

- Taught Math, science, and social studies to students in grades 7 to 9.
- Modified lessons to accommodate students with disabilities.
- Led a top team of 5 to 7 teaching assistants and coordinated a Direct Instruction remedial reading program.
- Handled a special education caseload of 40+ students and administered Individual Education Plan meetings.
- Spearheaded a building-wide remedial reading program for more than 1200 junior high school students.
