WORK HISTORY

Town Sports International Holdings Inc - Volunteer Hospital Advocate
Salisbury, NC • 11/2021 - Current

- Coordinated program referrals for community-based resources.
- Completed psychosocial evaluations and needs assessments.
- Coordinated individualized discharge plans to manage safe transition back into community and home environments.
- Delivered social work services to sexual assault, domestic violence, and intimate partner violence survivors in hospital settings.
- Demonstrated respect, friendliness and willingness to help wherever needed.
- Worked flexible hours; night, weekend, and holiday shifts.
- Carried out day-day-day duties accurately and efficiently.
- Quickly learned new skills and applied them to daily tasks, improving efficiency and productivity.
- Responded to calls from physicians or nurses from area hospitals within an hour
- Advocated for patient's needs by talking with family members, nurses, physicians, and law enforcement officers
- Educated patients on community resources as well as Hope and Healing services
- Still in training, so all work is supervised

University Of Akron, Dr. Bagatto - Undergraduate Student Researcher
City, STATE • 01/2022 - Current

- Attended meetings and presentations to learn more details about zebrafish care.
- Developed keen understanding of laboratory methods, which included water quality testing, fish feeding, temperature monitoring, and water changes.
- Worked with fellow researchers to determine an appropriate weekly and holiday feeding schedule

One Of A Kind Pets - Volunteer Dog Walker
City, STATE • 10/2021 - Current

- Led dogs away from hazards, obstacles and other animals to protect safety.
- Developed strong personal relationships and trust with dogs through vocal affirmations, petting and pre-approved treats.
- Exercised and offered restroom breaks to dogs by walking multiple times per day.
- Alerted owners immediately of health or behavior problems for speedy resolution and care.
- Maintained pace according to size, age and agility to offer individualized walking experience for each dog.
- Tailored walks for older dogs and dogs with variety of health concerns.
- Kept cages, kennels, play yards and grooming areas neat and clean.

Brittany Marchand - Babysitter
City, STATE • 01/2020 - Current

- Communicated positively with children and guardians.
- Played games, worked on puzzles and read books to young children.
- Organized and cleaned home after activities by picking up toys and straightening up play room.
- Prepared healthy, age-appropriate snacks and meals.
- Bathed, dressed and helped with teeth brushing as part of bedtime preparation.
- Taught children to organize toys, wash hands and share by leading by example.
- Sanitized dishes, tabletops, toys and frequently touched surfaces to prevent spreading of germs.
- Balanced playtime and limited screen time to support development of fine motor, gross motor and cognitive skills.
- Maintained updated list of emergency contact information and child's health information in case of emergencies.
