WORK HISTORY

AVIATION LOGISTICS SPECIALIST 06/2019 to CURRENT

Labcorp | Jackson, MS

- Specialize in shipping AOG aircraft parts, life saving organs and blood for transplant and research, rapid returns, heavy weight or oversize freight and dangerous goods.
- Complete job orders from clients and monitor all aspects of the job while in transit until completion, while maintaining a high level of quality data entry and record keeping for 24/7/365 service.
- Review all documentation for domestic transport, export or import of international shipments and Dangerous Goods declarations for accuracy.
- Assist and provide guidance to client and internal/external staff on specialized job orders, price quotes, billing questions or logistical areas such as warehousing, Dangerous Goods regulations, Customs, USDA, FDA or other government agencies.
- Minimized process discrepancies with time critical shipments by closely monitoring shipments while working closely with other Quick offices located in New York, Chicago and Los Angeles.
- Reported emergencies, weather delays and carrier schedule changes to customers and supervisors.
- Tracked and managed transfer paperwork such as packing lists.
- Detected and resolved multifaceted issues related to business direction and operations.
- Worked with customers to integrate processes and correct issues.
- Coordinated incoming and outgoing shipments to maintain schedules.
- Used in-house tracking system to schedule shipments of goods to customer warehouses.
- Provided customers with status updates for tracked packages.
- Managed and tracked package transfers such as bills of lading, delivery receipts, packing lists and load tags.
- Issued timely and accurate responses to both internal and external inquiries.
- Collaborated with shipping department staff to facilitate smooth materials returns to correct vendors.
- Achieved team goals by assisting co workers in coordinating and deploying best practices.
- Coordinated driver dispatch to accomplish daily delivery requirements.
- Worked with vendors to schedule daily pickups and weekly deliveries.
- Built long-term relationships due to prompt and courteous service.
- Verified transactions, product orders and shipping dates and entered information into databases and reports.
- Coordinated with freight forwarder to provide vendor shipping details and obtain shipping updates.
- Handled high-volume paperwork and collaborated with administrators to resolve invoicing and shipping problems.
- Oversaw every phase of supply chain, from purchase order to delivery to invoicing, targeting 100% end-user satisfaction.
- Prepared timely rate estimates and strategic bid packages.
