WORK HISTORY

ENGLISH LANGUAGE ARTS TEACHER 08/2011 to CURRENT

Albany Charter School Network | Columbus, OH

- Delivered instruction in language arts encompassing reading, grammar, composition and literature, working with teachers in other subjects to integrate skills across curriculum.
- Sponsored, facilitated, and developed several student activities and clubs including middle school student counsel, fundraisers, mentorship program for incoming and outgoing students, local and international field experience and service projects.
- Developed age-appropriate lesson content for literature pieces including short stories, poetry, plays and non-fiction to meet diverse learning styles and intellectual and education needs.
- Teamed with other faculty members and parents to outline IEPs for gifted, talented and special education students, addressing diverse teaching approaches for special learning requirements.
- Monitored comprehension of material among students and created re-teaching strategies to cover gaps in learning indicated by test scores and quizzes.
- Created language arts lesson plans for sixth grade students, seventh grade students, and eighth grade students to meet learning needs, adhere to curriculum standards and build and extend interest in learning.
- Communicated with parents in person, by email and phone to apprise of student progress, challenges and behavior issues.
- Established positive classroom management boundaries to create safe, known environment for behavior among students.
- Built relationships with students to understand obstacles to learning such as difficult home situations, illness or social hurdles.
- Implemented innovative teaching approaches for special needs students to meet requirements of individualized education plans.
- Authored tests and quizzes to evaluate student learning and comprehension.
- Developed teaching materials to supplement standard curriculum, enhancing learning concepts and promoting student engagement.
- Helped students develop important learning skills and good study habits useful in trade school or college education.
- Created engaging lesson plans, fostered culture of discovery and provided well-organized classroom structure to help students succeed in program.
- Administered standardized tests in accordance with state and national testing programs.
- Selected and requisitioned appropriate books and instructional materials to develop, enrich, and revise self-authored lesson plans.
- Wrote custom materials for teaching concepts and material to supplement or replace standard materials to add interest, focus on specific concepts and meet learning needs of student population.
- Created evaluation vehicles to test student learning across several levels of understanding and comprehension, taking care to develop multiple opportunities for success within each vehicle.
- Evaluated student progress, recorded scores and revised plans for reteaching of subject matter where necessary to accomplish learning.
- Used varied instructional resources and tools to strengthen English language skills.
- Maintained strict classroom behavior management to provide positive, conducive environment for learning.
- Met with parents and administration to advocate for student needs.
- Met with parents at planned meetings and in ad hoc conversations to discuss student challenges, behavior modification and performance.
- Created and enforced child-based hands-on curriculum to promote student interest and receptive learning.
- Coordinated with other Special Education teachers, other faculty members and parents to develop and update IEPs for gifted/talented and special needs students.
- Consulted with students to identify reasons for poor performance, gain understanding of personal struggles outside classroom, and devise plans for remediation.
- Devised compelling lesson content for age-appropriate literature that met various learning styles and capture imaginations of students.
