Associate (CSWA)
Certified Six Sigma Master
Black Belt (CMBB)

WORK EXPERIENCE

Mechanical Engineer Manager

Fantastic Engineering, Inc.

Buford, WY • Aug 2023–Present

- Oversees and trains junior mechanical engineers on designs and CAD modeling in SOLIDWORKS 3D CAD
- Manages mechanical engineering (ME) tasks/activities and develops process documentation for engineers
- Creates strategic roadmaps for ME deliverables and ensures projects are ready to market

Senior Mechanical Engineer

T.S. Brilliant Automotive LLC

Buford, WY • Aug 2022–July 2023

- Led the entire product's lifecycle development for four new projects, increasing revenue by 19%
- Analyzed and designed product designs by junior mechanical engineers
- Developed and tested the entire product portfolio to ensure they passed quality checks, compatibility requirements and industry regulations
- Streamlined the company's product workflow to be more efficient

Junior Mechanical Engineer

T.S. Brilliant Automotive LLC

Buford, WY • June 2020–July 2022

- Launched a new product intuitive plan for a team of 4
- Collaborated with senior mechanical engineers to ensure product designs meet safety and quality requirements
- Enforced quality control guidelines and performed routine quality checks for product defects and issues
- Designed and developed custom prototypes based on the clients' specific needs
