WORK EXPERIENCE

Resume Worded, New York, NY

09/2015 – Present

Tech startup with 10+ employees and \$10m+ annual revenue

Network Security Engineer

- Managed a team of 13 security practitioners responsible for delivering security engineering and architectural expertise for customers in the Pacific Northwest, growing annual sales by 30% in FY 2020.
- Participated in 20 partner-facing technology conferences and workshops worth \$50M, providing multilayered defense strategies and evangelizing about the growth of sophisticated attacks.
- Orchestrated 12 executive briefings between customer leadership and internal executives that focused on product roadmaps and design discussions, provided strategic business value, and increased security posture by 42%.
- Reduced the physical resources needed to support RW's IT department by 26 servers and 50TB of data storage within one month.

Polyhire, London, United Kingdom

09/2012 – 08/2015

NYSE-listed systems network company

Network Security Analyst

- Administered 39 blue coat proxy and anti-virus servers for multiple offices of Polyhire nationwide, 4 days ahead of the deadline.
- Managed 73 juniper and 20 checkpoint firewalls supporting 45K employees in remote regions of 8 Asian countries.
- Executed an automated patch management system that reduced the time spent on routine tasks by 75%, acknowledged by management for being proactive.

Growthsi, London, United Kingdom

01/2010 – 09/2012

Network training and membership SaaS with 20K paying users

Technical Support Supervisor

- Reduced call volume and created a monthly savings of \$250K by introducing support procedures that improved customer satisfaction ratings.
- Championed a company-wide project that reduced operational expenses by \$1M per year due to streamlining and automating processes.
