OBJECTIVE

Enthusiastic Pharmacist with a variety of experience in community pharmacy including compounding and managerial experience. Enjoys multitasking by working with other healthcare professionals and insurance providers to ensure optimal patient outcomes. Thrives on working in a team environment to provide an efficient and positive patient experience.

LICENSES

In good standing with both Texas and Idaho State Boards of Pharmacy and a certified immunizer.

PROFESSIONAL EXPERIENCE

08/2016 to Current **Consultant**

Avalara Inc. – CA, State

Experience in ACHC accreditation and compounding product development. Pharmacy workflow solutions and marketing strategies. Insurance billing knowledge including specialty medications, expertise in State Board inspections and license reciprocity process.

01/2016 to 07/2016 **Pharmacist in Charge**

Capsule – Los Angeles, CA

Set up a newly purchased pharmacy that specialized in non-sterile compounding. Created a logical and efficient system to process prescriptions, compounding, product verification, and shipping arrangements. Developed many compounded medications such as topical analgesics, scar diminishing creams, and a variety of metabolic supplements. Enjoyed managing a team to promote a positive and efficient work environment.

09/2015 to 01/2016 **Staff Pharmacist**

Memorial Health – Chatham, IL

Gained initial non-sterile compounding experience. Involved with processing, verifying prescriptions, and product verification. Learned record keeping for compounding ingredients, batch and patient specific compounding. Worked to create optimal workflow, product marketing, and develop business.

05/2012 to 09/2015 **Staff Pharmacist**

Memorial Health – Sullivan, IL

Pharmacist with diverse experience within the company. Staffed at a high volume 24 hour store and a clinic store. As staff pharmacist helped to manage operations, participated in drug utilization review and medication therapy management for multiple stores. Promoted immunizations and enjoyed patient interaction and counseling.
