

# Najai Ruska

.NET Developer

## Profile

.NET Developer with 1 year of experience in designing, developing, and maintaining web applications using C#, ASP.NET, and SQL Server. Proficient in implementing front-end interfaces with HTML, CSS, and JavaScript while adhering to best practices and industry standards. Demonstrated ability to quickly learn new technologies and collaborate effectively within a team environment. Committed to delivering high-quality, scalable solutions that meet business requirements and enhance user experience.

## Employment History

### Senior .NET Developer at Microsoft Corporation, NY

Feb 2023 - Present

- Developed and implemented a highly efficient .NET application optimization strategy, resulting in a 35% reduction in load times and a 20% increase in overall performance for key Microsoft products.
- Successfully led a team of 5 developers in the design, development, and deployment of a complex .NET-based web application, which streamlined internal processes and increased productivity by 25%.
- Delivered an innovative machine learning algorithm within a .NET framework, ultimately enhancing data analysis capabilities for a major Microsoft project, leading to a 15% increase in revenue.

### NET Developer at IBM, NY

Aug 2022 - Dec 2022

- Developed a high-performance web application for a leading financial services client, resulting in a 35% increase in operational efficiency and a 25% reduction in processing time.
- Successfully migrated a legacy system to a modern .NET framework for a major healthcare provider, reducing system downtime by 40% and increasing data accuracy by 30%.
- Led a team of developers in the creation of a scalable and secure e-commerce platform for a retail client, which supported a 50% growth in online sales within the first year of launch.
- Implemented advanced machine learning algorithms into an existing customer relationship management system for a global logistics company, improving customer satisfaction scores by 20% and reducing response times by 15%.

## Certificates

### Microsoft Certified Solutions Developer (MCSD): App Builder

Oct 2021

### Microsoft Technology Associate (MTA) - .NET Fundamentals

Sep 2020
