## SUMMARY

Detail-oriented Graphic designer skilled in Illustrator, Photoshop, Indesign and storyboarding. I'm seeking opportunity to bring further success to organizations through elaborate illustration and concept image skills. Self-starter proudly offering background in technical illustrations and post-image capture processing. Promoting strong background in producing high-quality content useful for instructive materials. Looking for Illustrator position with remote and company opportunities. Enthusiastic Illustrator offering 5 years of exemplary creativity and technical mindset. Sharp and highly trained with foundation in color theory, composition, lighting and form. With great direction I can fulfill any task.

## EXPERIENCE

**DIGITAL ILLUSTRATOR** 03/2022 to CURRENT

### Adccetera | Houston, TX

- Brand Marketing
- Customer service
- Collaborated in team environment to maintain high levels of productivity.
- Transformed artistic concepts into characters, environments and other objects to reflect artist's vision.
- Applied learned color theory and lighting techniques into designs to add dimension and depth.
- Nurtured relationships with artists and other internal partners to create positive rapport for future projects.
- Devised illustrations that complied with customer specifications, company standards and mathematical formulas to fulfill customer project requests.
- Brainstormed with marketing and creative personnel to design high-quality images and illustrations for custom projects.
- Used Illustrator to create custom images to enhance clients' marketing campaigns.
- Produced computer-generated artwork to enhance articles and feature stories in technical journals and publications.
- Controlled light, texture and shadows to create lifelike characters.

**GRAPHIC DESIGNER** 10/2021 to 02/2022

### Afrologic Art | City, STATE

- Item arrangement for photos on social media
- Leveraged proficiency in Adobe InDesign, Photoshop and Illustrator to design email blasts, catalogs, posters and other promotional materials.
- Developed, designed, laid out and produced variety of technical illustrations for brochures, banners and signs.
- Selected colors and themes while adding functionality to create new designs.
- Generated digital image files for use in digital and traditional printing.
- Designed new, on-brand visual elements focusing on concept and messaging.
- Worked with customers to present mockups and collect information for adjustments.
- Consulted with clients to define design requirements and manage product development projects.
- Submitted design ideas to plan projects with customers and managers.
- Created corporate brands by designing cohesive looks between logos and letterheads.
- Designed interactive graphics for licensed products on compatible consumer platforms.
- Developed engaging marketing and promotional advertisements to generate sales revenue and grow customer base.
- Directed advertisement, banner and signage projects from concept to final delivery.
- Used Illustrator to create images and layouts.
- Utilized knowledge of production to create high quality images.
- Adjusted images sizes and selected fonts for Branding projects.

**DESIGN COLLABORATOR** 10/2021 to 01/2022

### SHEIN\*COLLABORATION | City, STATE

- Managed designs and Illustrations
- Email coordination
- Developed custom artworks to be utilized by company
- Discussed with producers budgets for upcoming projects
- Consulted team for best overall group experience
- Developed graphic images to achieve design goals
- Worked directly with clients to establish project scope, interaction guidelines, and project timelines
- Managed multiple projects and tasks simultaneously while managing client expectations.
- Sketched outline designs and used CAD programs to create detailed designs and specifications.
- Sought ongoing refinement of in-use engineering processes to shorten production times and reduce costs.
- Collaborated with sales and project management personnel to develop product concepts.

## EDUCATION AND TRAINING

**Bachelor of Arts | Graphic Design** 07/2021  
**Park University, 8700 NW River Park Drive**
