

 02/2014 - 02/2019

International Sales Engineer

Provided the Pre-Sales and After-Sales service of specialty valve sales for key users around the world such as: Pemex, CFE, Chevron, Lukoil, Flint Hills and Eastman. Developed a quoting spreadsheet to reduce the quoting process time of the whole Sales Department.

Main Tasks and Key Contributions:

- Followed up on the progress and delivery on time of sales orders from quoting to shipping stages.
- Worked as the Sales Department representative on the rehabilitation of Eastman Kingsport plant after an explosion in 2017 (\$10.5M USD project). Managed with involved departments conference calls for status update, order shipments and provision of the required documentation on time (drawings, production schedules, packing lists, order confirmations, etc.)
- Developed an Excel spreadsheet to automatically quote several types of valves, significantly improving the delivery time of proposals (30-40%). This spreadsheet is still used seven years later every day by all Sales Engineers.
- Internal Auditor as per API Q1 and ISO 9001 2015 (2017-2020).

 01/2011 - 02/2014

Junior Electrical Engineer

Worked on the electrical plans design of a company that provides design and installation of mechanical, electrical and plumbing services for residential and corporate constructions.

Main Tasks and Key Contributions:

- Electrical load consumption analysis.
- Selection of materials according to installation requirements.
- Design plans development via AutoCAD 2D.

Education and Technical Proficiencies

MECHANICAL ENGINEER 08/2007 - 12/2011
