

ENTRY LEVEL FINANCIAL ANALYST

15 Maple Street, Philadelphia, PA 12345
(123) 456-7890
your.name@gmail.com

Financial Analyst with 2+ years of experience in market analysis, modeling strategies, and accounting principles. Proven track record of utilizing financial reporting to support small- and medium-sized businesses while identifying new investment opportunities and reducing risk. Excited to energize Xact Co's financial strategy as a Financial Analyst.

PROFESSIONAL EXPERIENCE

CORMIER-TROMP

Entry-Level Financial Analyst

Philadelphia, PA

February 2020–Present

- Perform comprehensive analysis of business financials and help the upper management team make informed investment decisions through regular forecasting reports
- Conduct routine audits and update internal databases with new financial information
- Assist senior management with preparing monthly reports for executive meetings, including consolidating financial data, performing budget to actual variance analysis, and outlining detailed charts
- Reduced business expenses by 18% by performing routine audits on operating costs and identifying opportunities to outsource new vendors and acquire new clients
- Analyzed financial operations for three client accounts valued at \$150K–\$370K, including operating expenses, revenue cycle management, cash flow, and competitive analysis

TOWN FINANCIAL

Finance Intern

Des Moines, IA

July 2019–January 2020

- Managed a variety of financial administration tasks, including filling in spreadsheets, posting journal entries to the SAP ledger system, gathering data, and developing charts
- Cooperated with the payroll department to track labor hours for over 455 employees
- Assisted senior analysts in preparing presentations, assessing budgets, and drafting reports
- Contributed toward savings of \$3M by consolidating financial data ahead of leadership meetings, maintaining the accuracy of financial reports, and maintaining accurate databases to help forecast future financial performances
