Experience

08/2009 - Current **Wanaka Farms** – Whittier, CA

Farm Manager

- Continuously improve farm yield through implementation of process, laborer, and crop improvements.
- Source outside vendors for crop protection applications and equipment repair.
- Maintain farm inventory of equipment and supplies and make purchase decisions.
- Hire and recruit talented farm hands for permanent, daily, and seasonal work.
- Ensure fields are properly planted, thinned, and irrigated.
- Devise updated harvesting strategies based on latest trends and information.
- Establish and monitor budgets for all farm areas.
- Currently working to introduce more organic practices into farm procedures.

02/2005 - 07/2009 **Coulson Farms** – Whittier, KS

Farm Manager

- Managed equipment to ensure optimal performance with routine maintenance.
- Performed minor and intermediate repairs directly.
- Made decisions on new equipment purchases and service needs.
- Trained new farm hands on equipment usage and maintenance.
- Initiated safety improvements that reduced incidents to near zero.

05/2002 - 10/2005 **Coulson Farms** – Whittier, KS

Assistant Farm Manager
