Passionate artist seeking residency at Asheville Museum of Art. As resident artist in Fayetteville, WV, produced a collection of art depicting the 2016 floods, and an award-winning sculpture for the local visitor's bureau. Participant in three exhibitions and have held two long-term artist jobs.

## Experience

- 2014-07 -  
2016-08

**Art Teacher**  
Gassaway Community College
  - Taught daily art classes to groups of 30+ students each. Covered techniques for charcoal, oil painting, watercolors, and spray paints.
  - Five of my students received the Casker Fellowship for Artistic Excellence.
- 2012-06 -  
2014-07

**Video Game Artist**  
Renaissance Games
  - Produced high quality designs to expand and define the look of a major online game. Increased average reviewer art ratings by 26%.
  - Handled an average of 50 video game art projects per year, including art for siege engines and flying machines, from concept through completion.
  - Delivered all projects to high standards of creative excellence. Regularly satisfied a 110-point artwork inspection, officiated via focus group.

## Education

- 2009 -  
2013

**BA in Visual Arts, Montclair State University, NJ**
  - Pursued my passion for oil painting and sculpture.
  - Excelled in computer aided 3D design work.
  - Wrote a monthly column on computer aided design for the school paper.

## Awards

- 2016

1st Place, Tamarack Juried Competition, WV
- 2015

3rd Place, Chelsea International Fine Art Competition
