ACCOMPLISHMENTS

Designed and implemented a special art project for Market Street Prototyping Festival.

EXPERIENCE

Designer-In-Residence, 09/2014 - 10/2014

High Alpha – Indianapolis, IN

One of six selected designers to design an independent project to spur curiosity and creativity in the workplace. Created a merry-go-around that allowed participants to spin and write while recharging their senses through vibrant colors and tactile objects.

Communications Design Intern, 08/2013 - 11/2013

JHPIEGO – City, STATE

JHPIEGO is the Johns Hopkins Program for International Education in Gynecology and Obstetrics, an international healthcare non-profit focusing on maternal health in developing countries. Designed poster, graphic elements and infographics for distribution at conferences and events.

Intern Environments Designer, 04/2012 - 07/2012

Pentagram – City, STATE

Prepared layouts and drawings in compliance with established templates and design standards. Recommended material finishes and furniture selections best suited to produce desired visual effects.

EDUCATION

Bachelor of Arts: Environmental Design, 2014

Maryland Institute College of Art - Baltimore, MD

Concentration in Graphic Design

Minor in Social Practice
