-  (555) 432-1000
-  Montgomery Street, San Francisco, CA 94105

QUALIFICATIONS

Excellent database developer with 8 years of experience working with Microsoft SQL Server databases
Highly skilled in healthcare information systems
Experience working in all stages of the software development life cycle
Adept at understanding user needs and communicating at all business levels

- Track record for creating applications and jobs that automate task and improve business processes
- Excellent understanding of SQL Server performance tuning and query optimization
- Highly skilled SQL Server Integration Services developer (SSIS)
- Microsoft Certified Professional

EDUCATION AND TRAINING

Pragmatic Works Master SSIS Workshop (Brian Knight)
Reston, WA • 2013

Select One: Pragmatic Works Master SSIS Workshop (Brian Knight)
Course Outline:
Day 1

- Loading a Dimension Table
- Loading a Fact Table
- Creating an Incremental Load Pattern
- Performance Tuning SSIS
- Scaling Out SSIS
- Restartability Patterns in SSIS

Day 2

- Scripting in SSIS
- Data De-Duplication with Fuzzy Grouping and Lookup
- Term Extraction and Lookup Patterns
- Upgrading to SQL Server 2012 SSIS
- Integrating Data Quality Services (SQL 2012) into SSIS
- Creating a Master Package Pattern
- SSIS Integration into SSAS

2013

Select One: Microsoft SQL Server Certification
Querying Microsoft SQL Server 2012

Microsoft SQL Server PASS Summit
Seattle , WA • 2012

Select One: Microsoft SQL Server PASS Conference
Course Outline:
Day 1

- 10 Extraordinary Things to Achieve with Integration Services 2012
- Adapting Your ETL Solutions to Use SSIS 2012
- Using SSIS 2012 for Data Warehouse ETL
- Data Model-Driven Database Design in the Real World

Day 2

- Data Cleansing with SSIS 2012
- Enterprise Data Mining
- T-SQL Tips and Tricks
- Improve Query Performance by Fixing Bad Parameter Sniffing

Day 3

- Dashboard Design: Making Reports Pop
- Wen ETL Goes Bad: Handling Errors and
- Data Anomalies in SSIS
- Building Your Professional Development Plan
- Writing your own SQL Best Practices Document

University of North Carolina at Greensboro
Greensboro, NC • 2010

Master's: Information Technology and Management
Beta Gama Sigma - International Honor Society of Collegiate Schools of Business
Upsilon Pi Epsilon - International Honor Society for the Computing and Information Disciplines

University of North Carolina at Greensboro
Greensboro, NC • 1999

Bachelor of Science: Information Systems and Operations Management
