jsmith@hootmail.com /

PROFESSIONAL SUMMARY

A keen, motivated and qualified business analyst, with experience of seeing projects of varying scale through from initiation to completion in busy project management offices. Offering a full understanding of the importance of project delivery on time and within budget. Currently looking to progress by engaging in a PMO analyst post in a large organisation, ideally with opportunities for specialisation, challenging business projects and professional development.

Professional Qualifications

- PRINCE2® Foundation & Practitioner, including exams- 365-ITP Training Ltd., Lincoln (2013)
- Full driving licence.

Key Skills

- Strong information management ability, particularly MS Excel extraction, formulae, pivot tables and graphs.
- Positive personality and productive team worker
- Clear thinker; adept at facilitating discussion.
- Excellent communicator.

Experience

Senior Business Analyst, Lindum Ltd., South Hykeham, Lincoln (February 2015 to date).

- Supporting the PMO Manager with consultancy, contract and after-sales customer care projects.
- Monitoring progress and preparing management information, including exception reporting.
- Attending regular review meetings; making presentations to small groups.
- Helping to implement improvements.

Business Analyst – Simonson's Group, Boddington Road, Lincoln (September 2012 to January 2015 - training position, later promoted to analyst post).

- Working with experienced analysts and gaining an appreciation of Prince methodologies in practical business environments.
- Liaising with development and implementation teams to achieve weekly and monthly objectives.
- Resolving unexpected issues, bringing them to management attention when appropriate.
- Ad hoc data management tasks as required.

EDUCATION

Academic Qualifications

B.Sc.(Hons.) Business and Enterprise Development, Lincoln Business School, 2012. A-levels: Computer Science (A), Business Studies (A), English Language (B) – The Priory Academy LSST, Lincoln, 2009.
