EDUCATION

Mount Carmel High School
Chicago, IL • 2011

High School Diploma

EXPERIENCE

Waste Connections - Aviation (Seasonal Pool Motor Truck Drive)

Luling, TX • 10/2014 - 02/2016

Trained and Worked with the following equipment

- Brooms
- Blowers
- Plows
- Tagalongs
- Tow trucks
- Flatbeds
- Jumper truck

I also Learned the air field, how to communicate over radio and abided all the rules on the airfield as well as enforce them for others safety. Operation safety was crucial to follow because there was more going on even in adverse conditions. We as a team were held to high standards of quality work as well as work at a faster pace. I always followed direction and we always completed the duties assigned. Aircraft, passengers and other drivers on the team are some of the reasons this was a very high risk job. In-depth training was held prior of working and was required to passed to hold a badge that had special clearance to show understanding of all rules and regulations. I was recommended to teams and always heard good things directly and indirectly of how I work.
