## RESUME SUMMARY

Vehicle mechanic with 7+ years of experience in automotive maintenance, repair, and servicing. Extensive experience working with gasoline and diesel vehicles, examining automotive electronic equipment, and testing and tuning exhaust systems. Possess ASE A Series certification.

## PROFESSIONAL EXPERIENCE

August 2019–Present

**Automotive Technician**

*The Wrench King, Spokane, WA*

- Have test driven 1500+ vehicles, ensuring repair quality before returning to customers
- Use equipment daily, such as infrared engine analyzers and compression gauges to check engine wear
- Check emission levels of 4+ vehicles weekly to uphold Washington Vehicle Emission Check standards
- Analyze vehicle performance by using computerized diagnostic tools, implementing tune-ups accordingly

June 2017–July 2019

**Automotive Mechanic**

*Big Tony's Auto Repair, Spokane, WA*

- Repaired and serviced air conditioning, engine cooling, electrical, and heating systems on 1000+ vehicles
- Tore down, repaired, and rebuilt defective parts including braking, coolant, and steering systems
- Greeted 50+ visitors weekly, discussing and agreeing on labor, repair, and tune-up programs
- Installed and replaced accessories, including headlights, radios, side and rear-view mirrors, and windshield wipers

June 2015–May 2017

**Trainee Tech**

*Gary's Autos, Spokane, WA*

- Performed routine and scheduled maintenance services, such as tune-ups, lubrications, and oil changes
- Inspected vehicles by using checklists, including belts, steering systems, hoses, brakes, fuels systems, exhaust, and wheels
- Conferred with customers and upsold parts and labor by an average of 24% through product and service recommendations
