## SUMMARY

Current Hydrostatic Testing Technician with 4 years of related experience. Hard working and driven toward success. Previously a small business owner, focused on profitability. Very mechanically inclined and experienced in personnel management, paired with a close eye to detail.

## SKILLS

- Senior Hydrostatic Testing technician
- Research and Development coordinator
- Industrial Heat treating services
- Skilled in all aspects of construction
- Mechanically inclined
- Skilled in troubleshooting

## EXPERIENCE

**SENIOR HYDROSTATIC TESTING TECHNICIAN** 03/2014 to CURRENT

**Colas | Charlotte, NC**

Coordinate and execute high pressure/temperature testing on downhole fracking technology. Retain a high level of personal safety in a dangerous environment. Perform post-test analysis of our prototype products. Coordinate personnel scheduling and testing documentation. Visit off-site vendors/customers for specialized testing and product evaluation.

**HEAD OF ASSEMBLY** 07/2011 to 03/2014

**Hyatt Hotels Corp. | New Brunswick, NJ**

In charge of coordinating the assembly, inspection and packaging of tools for international and domestic orders. Worked with sales department to prioritize and coordinate logistics of sales orders. Performed training and evaluation for new team members.

**OWNER/CRAFTSMAN** 2009 to 07/2011

**Wall To Wall Construction | City, STATE**

As owner and operator of Wall to Wall construction, I hired, trained, and coordinated all personnel. Wall to Wall construction specialized in finish construction and remodeling of residential and commercial properties.

**INDUSTRIAL HEAT TREATING TECH. (LEVEL 3)** 06/2004 to 11/2008

**Neptune Heat Treating Inc. | City, STATE**

Performed various tasks involving industrial heat treating and stress relief. Started as an entry level employee and quickly achieved level 3 technician status. Most of this work was in refineries and oilfield sites throughout Texas and Louisiana. Received many certifications and clearances to work in a variety of chemical and energy production plants.

**CONSTRUCTION FOREMAN** 03/2002 to 03/2004

**Trinity Contractors LLC. | City, STATE**

Started with Trinity as an entry level carpenter and became Job Foreman within a year of being hired. During this time my construction skills were refined and some perfected while training under a master carpenter. Learned many customer service skills as well while communicating directly with customers.

**MANAGER** 04/2000 to 06/2002

**Miami Ice Snow Cones | City, STATE**

While in high school I managed a snow cone stand. Was in charge of ice production, mixing of flavors, scheduling and inventory.

## EDUCATION AND TRAINING

**Associate of Science | Marine Science** 2003

**Texas A&M Corpus Christi, Corpus Christi, TX**

Attended Texas A&M after graduation. Pursued a Marine Science degree for a marine biology career, while still working full time.

**Associate of Science | Marine Science** 2004

**Del Mar Community College, Corpus Christi, TX**

Attended Del Mar for a year after Texas A&M.

**High School Diploma | All**

**Flour Bluff High School, Corpus Christi, TX**

I graduated with honors, in the top 10% of my class
