WORK EXPERIENCE

Chief Mechanical Engineer, 2016 - Present

JLL

- Participated in the preparation of departmental budgets and controlled expenditures within those budgets.
- Interfaced with other discipline chiefs to coordinate efforts and resolve issues on each project.
- Helped prepare and maintain short-term and long-term marketing plans for the Department and Division.
- Developed long-range plans and objectives for the department and submitted to the Manager of engineering for his review.
- Provided day-to-day coordination and allocation of engineering resources in consultation with the Manager of Engineering.

Chief Mechanical Engineer, 2014 - 2016

CBRE

- Gave professional input on the conceptual estimating of the mechanical components of a Step 1 proposal.
- Reviewed and approved key project documents such as Mechanical Design Criteria and engineering estimates.
- Interfaced with Manager of Engineering and Project Managers to determine specific project staffing needs.
- Led specific projects as the lead Mechanical Engineer in conjunction with providing guidance to other engineers within the department.
- Assisted in the selection of new employees for the department and acted as a mentor.
