## Airline Pilot

📞 1-507-323-2500    @ payton89@yahoo.com    🌐 palatable-figure.biz    📍 Jerdestead, Kazakhstan

### SUMMARY

Experienced Airline Pilot with over 10 years of aviation expertise. Proven leadership and decision-making skills demonstrated through successfully implementing safety protocols resulting in a 20% decrease in incident rates. Proficient in aviation regulations, navigation systems, and emergency procedures. Bachelor's degree in Aviation from Aviation College. Experienced in single-pilot IFR and night operations. Committed to delivering safe and efficient flights, I am eager to join your renowned aviation company and contribute to its continued success.

### EXPERIENCE

#### HEMS Pilot

**Air Ambulance Services**    📅 2022 - Ongoing    📍 Glasgow

Managed Scotland's air ambulance operations, ensuring safe and efficient transport of patients across the region.

- Operated single-pilot IFR flights and performed night operations, adhering to strict safety protocols.
- Logged over 2000 flight hours as pilot-in-command of helicopters, including 1000 hours on twin-turbine helicopters.
- Collaborated with medical teams to ensure seamless coordination and communication during emergency medical airlifts.

#### Captain

**International Airline**    📅 2017 - 2022    📍 Global

Operated long-haul flights on various aircraft models, ensuring the safety and comfort of passengers and crew.

- Executed precise takeoffs, landings, and in-flight maneuvers, resulting in a stellar on-time performance record.
- Led a team of cabin crew members, fostering a cohesive and customer-oriented environment.
- Maintained impeccable professionalism and adherence to company policies and regulatory standards.

#### First Officer

**Regional Airline**    📅 2015 - 2017    📍 UK

Assisted the captain in the safe operation of flights, ensuring a smooth and enjoyable travel experience for passengers.

- Performed pre-flight inspections, systems checks, and flight deck preparations in accordance with company procedures.
- Communicated effectively with air traffic control and ground personnel to ensure seamless operations.
- Demonstrated exceptional problem-solving skills in resolving in-flight issues and maintaining a calm and controlled demeanor.

### MY LIFE PHILOSOPHY

**Being a pilot means having the ability to turn any dream into reality, up in the sky.**

### STRENGTHS

- Leadership**  
Led a team of pilots in implementing new safety protocols resulting in a 20% decrease in incident rates.
- Decision-making**  
Made critical decisions during emergency situations resulting in safe landings and the preservation of passenger lives.
- Adaptability**  
Successfully navigated challenging weather conditions and terrains, ensuring timely and efficient operations.
