## EXPERIENCE

### Ryan Lawn & Tree - Clinical Laboratory Science Intern

Overland Park, KS • 04/2012 - 04/2013

Acquired entry level competencies and advanced technical skills to enter the field as a Clinical Laboratory Scientist and gain accreditation as a member of ASCP.

### North Country Academy - Turf Manager

Pflugerville, TX • 03/2007 - 07/2011

Conducted daily irrigation, surface management, and equipment repair to up hold a high quality playing surface. I also performed staff scheduling duties as well as managing the daily operations required by the professional club. From our excellence in professional baseball, we received the John H. Johnson Presidential Award in 2010 that goes to the top organization in professional baseball with 2010 Pioneer League Field of the Year.

### Hardin School District 17H - Substitute Teacher

City, STATE • 11/2007 - 03/2010

Substitute teacher mostly for the math and science departments (9-12 grade) where I would teach the days lesson plan, assign student homework, and help students with any questions they had.
