- Skilled at reviewing Trends information and completing reports based on future projections.
- Supervisory experience.
- Project development and management experience.
- Experienced at research and writing technical reports.
- Experienced at reviewing and interpreting financial reports.
- Skilled at reviewing and applying U.S. Standards.

EXPERIENCE

Market News Reporter, 01/2020 - Current

Department Of Agriculture – Athens, GA

For a more than a year I have worked for the Phoenix Market News Shipping Point office. I have collected market pricing from industry members. I have tracked incoming shipments into ports of entry. I have regularly used the data and related information to generate and submit reports. I have reviewed and analyzed Trends data and have submitted reports for future projections.

Supervisory Inspector-in-Charge, 10/2015 - 01/2020

USDA - AMS – City, STATE

For more than 4 years, I continued my role as supervisor of the St. Louis, MO USDA- AMS SCI Division inspection office. I managed and coordinated various inspection related projects of office personnel. I used and applied U.S. Grading Standards. I reviewed documents and the work of subordinates for accuracy. I continuously built good working relationships with industry members. I also regularly reviewed various financial reports of the office.

Quality Management Programs (QMP) Coordinator , 05/2013 - 08/2016

USDA – City, STATE

For 4 years, I coordinated and provided staffing for a Quality Management Program (QMP) for one my office's applicants. Based on outside industry specifications, we ensured the quality of "local homegrown" produce prior to distribution throughout the Midwest. This provided extra revenue for the office.

Officer-in-Charge, 05/2011 - 09/2015

U.S. Department Of Agriculture – City, STATE

For more than 4 years, I supervised and managed the St. Louis, MO USDA- AMS inspection office. I reviewed written and electronic reports of all office personnel based on applications of U.S. Grading Standards. I approved leave requests from subordinates in WebTA. I provided insight to various industry members nationwide. I reviewed various financial reports for discrepancies and made corrections, when needed.

Agricultural Commodity Grader, 03/2009 - 05/2011

U.S. Department Of Agriculture – City, STATE

For more than 2 years, I learned how to review and apply U.S. Grading Standards to fresh produce items. I became quite skilled at writing various types of certificates and performing varying inspection types (e.g. 8e imports, Quality & Condition, Condition only, Freezing, Dump inspections, etc.). I worked with other inspectors on "Team inspections" and built long working relationships with industry members.

EDUCATION AND TRAINING

Master of Science: Food Safety, 2015

Michigan State University - East Lansing, MI

While in graduate school, I studied and completed course work related to the field of Food Safety. I worked closely with faculty and other students to not only improve my knowledge of Food Safety, but theirs as well. Lastly, I initiated and successfully completed a project in Food Safety allowing me to graduate with my Masters (MS) in Food Safety.

Master of Science: Food Science And Nutrition, 2008

Ohio University - Athens, OH

For 2 years, I conducted studies and research in the field of Food Science and Nutrition with emphasis on Food Chemistry. As a part of my graduate studies, I read and reviewed numerous scientific journals, conducted food research, and taught undergraduate courses and food labs. Lastly, based on my research, I wrote and completed a Master's thesis allowing me to graduate with a Master's (MS) in Food Science and Nutrition.

Bachelor of Science: Biology, 2005

Ohio State University - Columbus, OH

I studied various courses in Biological Sciences and related sciences. I read and reviewed course materials. This work allowed me to graduate with a Bachelor of Science in Biology.

ACTIVITIES AND HONORS

- FY-16, 2nd Quarter USDA AMS SCI Division *Director's Award* - for Excellence in Supervision.
- Member, Institute of Food Technologists (IFT)

- Member, Michigan State University Alumni Association

- Member, Ohio University Alumni Association

- Member, Ohio State University Alumni Association
