CAREER OBJECTIVE

Seeking a position as Experienced Teacher where I can utilize my knowledge and experience in a reputable organization.

EDUCATION

Bachelor's Degree in Education,
2012
Saint College, Boston, MA

EXPERIENCE

Experienced Teacher, 2016 - Present

KIPP Foundation

- Provided instruction and support in the curriculum areas for adult students, and made appropriate use of instructional resources and technologies.
- Assisted the classroom and its programs of operations and management.
- Assumed a role of responsibility for committees and/or volunteer activities, as assigned.
- Assumed and accepted responsibility in other daily routine duties that were necessary in the event other personnel were not available.
- Completed timely and accurate documentation according to KCC and other learning and regulation requirements.

Experienced Teacher, 2014 - 2016

Cadence Education

- Conducted one-on-one teacher conferences to resolve student's progress, performance, and behavior problems.
- Participated in faculty and professional meetings, educational conferences and teacher training workshops.
- Asked relevant questions throughout the lesson to check for understanding.
- Consistently exhibited commendable rapport with students and families.
- Engaged with current and prospective parents and family members, and was responsive to their needs.
