SUMMARY

Recent Mechanical Engineering graduate with a strong understanding of design, development, and implementation of custom mechanical components, sub-assemblies, and final assemblies. Eager to apply my skills to contribute to the Mechanical Engineer role at Intellectt.

EXPERIENCE

Mechanical Engineering Intern

Tech Solutions Inc.

📅 2022 - 2022 📍 New Brunswick, NJ

Assisted in the design and development of mechanical components and assemblies

- Assisted in the design and development of custom mechanical components, resulting in a 20% increase in efficiency
- Contributed to the resolution of manufacturing issues, ensuring the smooth operation of the manufacturing line

EDUCATION

Bachelor's in Mechanical Engineering

Rutgers University

📅 2018 - 2022 📍 New Brunswick, NJ

LANGUAGES

English

Native

AWARDS

Dean's List

Recognized for academic achievement

MY LIFE PHILOSOPHY

Scientists dream about doing great things.
Engineers do them. - James A. Michener

STRENGTHS

⚡ Analytical Thinking

Excellent problem-solving abilities

❤️ Adaptability

Quick to learn new engineering strategies

💡 Team Collaboration

Proven ability to work well in team environments

SKILLS

Mechanical Engineering
Pro E / Creo
Product Development
ECR/ECO
Manufacturing Strategy
Lean Projects

ACHIEVEMENTS

⚡ Capstone Project

Designed a mechanical component for a local business
