Assist passengers as they deplane with bags.

Thoroughly wipe down all wood, mirrors, wash basins, toilets and vaccumb cabin.

Complete a full inventory of all supplies.

When at a Netjets locker location, retrieve all supplies, board them and restock aircraft.

EDUCATION

Southwest Missouri State University
Springfield, MO • December 1980

Bachelor of Science: Personnel Management/Business

Legend Airlines - Flight Attendant

City, STATE • 07/1999 - 10/1999

Performed similar duties as mentioned above only on a commercial airline with help from other Flight Attendants. Legend was a start up airline out of Dallas Love Field, TX. Thier concept was to fly fifty first class seats with five star service from Dallas to big business travel locations. They went bankrupt within a few months.

Hurst, Euless, Bedford School District - Assistant teacher for special needs children.

City, STATE

Assisted in what ever way these children needed. Getting to and from class, assisting in the bathroom, helping them eat, school work and just loving them. legend went under in November 2000. I assisted from January-May 2001 and started with Netjets in Sept of 2001.

Self - Mother

STATE • 03/1983

The hardest most rewarding job to date. Raising my two oldest daughters, Molly and Maggie. Still enjoying late motherhood raising our adopted, already fourteen year old daughter Maura.
