

Daniel Gordts

● Phone number: 555-555-5555 ● Email address: hello@kickresume.com

Profile

Hard-working and dedicated Mechanical Engineering student with a strong attention to detail and accuracy and experience in completing detailed technical drawings, diagnosing engineering systems, and conducting engineering reports. Offers well-developed analytical skills and excellent teamwork abilities. Daniel is presently seeking a Mechanical Engineering Intern position with a modern firm.

Work experience

05/2018 – 08/2018

Greensboro, NC, United States

Mechanical Engineer Intern

Ingersoll Rand, Inc.

- Collaborated with colleagues on the design of a new wiring system, produced detailed technical drawings, and supported multiple Senior Mechanical Engineers with various tasks as required.
- Assisted in the development of new processes and procedures to reduce the production costs and increase overall production efficiency.
- Performed detailed design analysis, completed production checklists, and conducted reports on the progress of the assigned projects.
- Diagnosed engineering systems to identify any failures and problems and maintained and co-managed large databases and records.
- Awarded Intern of the Month for finishing all assigned projects in a timely manner.

Education

09/2017 – present

Potsdam, NY, United States

Mechanical Engineering Clarkson University

GPA: 3.94 (Top 15% of the Program)

Clubs and Societies: Debate Club, Engineering Society, Political Society

09/2013 – 05/2017

Brussels, Belgium

Gymnasium Institut Saint-Jean Baptiste de la Salle

Graduated with Distinction (Grade 1 - A/excellent equivalent in all 4 subjects)

The 2017 Best Graduate Award winner

Activities: Computer Club, Physics Society, Swimming Club
