□ PROFESSIONAL EXPERIENCE

Company Confidential

Vice President

2012–Present

Oversee the school's financial operations, teacher schedules, and monthly school events. Operate various accounting and financial management software, such as TurboTax and QuickBooks. Guide and supervise senior directors in handling a wide array of management functions. Monitor fiscal performance and classroom activities and perform a wide range of administrative functions, including processing payroll, 401(k), and 1099.

Key Highlights:

- Played a lead role in restructuring the school that increased the number of students to over 200 while improving its fiscal performance since 2013 through the following efforts:
 - *Renovation of classroom and playground to install age-appropriate facilities and provide a safe and comfortable environment for all students*
 - *Recruitment of licensed and qualified teachers with comprehensive experience and dedication to guide students*
 - *Engagement with parents and guardians to identify and address program gaps*
- Maintained active and positive engagement with clients, resulting in high referrals and low teacher and staff turnover rates

Company Confidential

Finance Department Head, *Investment Banking Unit*

2004–2010

Directed all aspects of proprietary investments in Taiwanese equity and fixed income market, along with underwriting services and treasury management activities. Partnered with the Accounting Department in monitoring funding needs and overseeing risk management activities. Supervised and mentored junior-level employees.
