EXPERIENCE

09/2004 to 07/XXX9 Health and Physical Education Teacher

Cherry Hill Public Schools – Cherry Hill, NJ

- Taught students about concepts regarding fitness, health and well-being.
- Monitored student physical fitness with standardized assessments and devised appropriate individual goals.
- Adapted teaching methods and instructional strategies to promote learning in students of differing skill levels.
- Managed consistent, learning-focused classroom environments by establishing and communicating clear objectives for all students.
- Adhered to applicable fitness program standards and benchmarks.
- Documented individual data and updated classroom records.
- Assessed student progress with course material through routine quizzes, final examinations and standardized assessments.
- Worked with teachers on IEP plans to develop objectives and assess progress.
- Cultivated collaborative and innovative learning environment to meet each student's unique educational needs.
- Talked with students needing extra attention and made plans to assist with problems.
- Created lesson plans to address needs of entry-level and upper-level science students.
- Coordinated with other professional staff members to evaluate and assess science-based curriculum.

07/2008 to 07/XXX2 Varsity Girls Soccer Coach

Wayne Board Of Education – City, STATE

- Instilled love of sport by helping each player to fully grasp all areas of gameplay.
- Improved team behavior by modeling correct actions and instilling discipline.
- Developed training and exercise programs to meet individual requirements and team play strategies.
- Prepared athletes for games with well-coordinated schedule of practices and individual training.
- Monitored safety of training, individual exercises and equipment usage to avoid sports injuries and damage to facility.
- Checked equipment and monitored common areas to maintain proper upkeep while remaining vigilant on safety.
- Ran drills and fitness circuits to improve athletes' coordination and skills.
- Encouraged athletes, fellow coaches and parents to engage in good sportsmanship with competitors.
- Reviewed game tapes of competitor events to understand strategies and plan approaches.
- Worked with boosters, parents and school administrators to handle support functions.
- Readied team to compete in tournaments and other special events.
- Organized players' nights and other special events to cultivate positive relations with players, families and local community members.
- Supervised academic progress of student-athletes and arranged tutoring for individuals with falling grades.

02/2005 to 07/XXX0 Assistant Girls Lacrosse Coach

Wayne Board Of Education – City, STATE

- Planned strategies and selected optimal team lineups to execute game plans.
- Educated athletes in rules, strategies, sportsmanship and performance principles.
- Adjusted coaching techniques to meet athlete needs and address strengths and weaknesses.
- Adhered strictly to rules and regulations of activities department and district.
- Worked closely in training capacity with fellow student-athletes during off-season.
- Motivated and encouraged team members to communicate more openly and constructively with each other.
