Work History

Visual and Performing Arts Department Chair, 08/2015 to Current

Rolling Hills Prep And Renaissance Schools – City, STATE

- Collaborated with Academic Leadership Team and maintenance on operational support tasks to model importance of group goals including the management of a school-wide arts calendar advocating for the needs of the department at all levels of the school community
- Resolved conflicts and negotiated agreements between members of the faculty in order to reach win-win solutions to disagreements and clarify misunderstandings.
- Lead in the design, building and development of new classrooms and studio space.
- Managed, implemented and maintained a budget of over \$275,000 for all of visual and performing arts needs while continually looking for ways in which to keep costs to a minimum.
- Conceived, developed, and continue to foster the Visual and Performing Arts Honors Diploma providing students experience and exposure in the arts beyond the classroom experience.
- Coordinate with members of the arts community in the surrounding area to bring in guest speakers and organize student exhibits and performances off campus including initiating an annual exhibit at local galleries of student work with a dedicated annual exhibit designed to raise awareness of and support for those experiencing homelessness.
- Recruit, hire, train, and mentor new members of the department including regular observations, evaluations and leading of professional development.
- Guiding and standardizing development of 6-12 curriculum including the introduction and approval of new courses through the AP and UC systems, standardization of expectations, introduction of differentiated curriculum according to varied learning styles.
- Introduce, design and implement student-led conferencing empowering students to take ownership over learning and lead conversations on progress and goals with advisors and parents.
- First ever UC Approved Media Literacy art class (2018)

Photography and 2D Graphic Design Teacher, 08/2004 to Current
